Subject: Join Us in Sharing Christ's Love This Christmas

Dear Donor,

As the Christmas season draws near, we at Bastion Foundation, Inc. are reminded of the boundless love and compassion Christ extends to all of us. This season, we are humbled to continue our mission of sharing that love with young widows in Southeastern Nigeria, a region that has faced immense challenges due to anti-Christian and anti-ethnic hostilities in recent years.

Through our annual Christmas program, we provide food assistance to combat food insecurity and equip young widows with the tools to start small businesses. By doing so, we empower these women to achieve self-reliance, restore their dignity, and rebuild their families. Many of these widows, who are often sole providers for their children, have been deeply affected by the social and economic disruptions in their communities. Please see our website <https://bastionfoundationinc.org> to experience BFI's past activities in this department.

But we cannot do this without your help.

We are seeking compassionate partners like you to help us meet our funding goal of \$24,000.00 to expand this vital program. With your support, we aim to:

- Provide local food hampers for 150 families this Christmas, ensuring no table is empty.
- Offer micro-business grants and skills training to 75 young widows to help them start sustainable ventures.
- Foster hope and healing in a region disproportionately affected by socio-economic and religious discrimination.

Every contribution makes a tangible difference:

- \$50 provides food and essentials for a widow's family for a month.
- \$20 supports vocational training for a widow.
- \$200 establishes a micro-business for a widow.

Your generosity this Christmas season will not only bring smiles to faces but also transform lives. You'll be sharing Christ's love in a powerful way with those who need it most.

We kindly invite you to partner with us by making a donation via <https://bastionfoundationinc.org>. Should you have any questions or wish to discuss sponsorship opportunities, please don't hesitate to contact me at [bastion@bastionfoundationinc.org](mailto:bastion@bastionfoundationinc.org) or 615 830 5591.

Thank you for considering this opportunity to be a beacon of hope and love this Christmas. Together, we can uplift these widows and their families, empowering them to overcome adversity and build brighter futures.

In His service,

Nonye Ejiofor
